For over 25 years, the Ontario Community Support Association (OCSA) has been the voice of home and community support, representing over 250 not-for-profit organizations, 25,000 employees and 100,000 volunteers across Ontario.

We look for like-minded companies and organizations interested in supporting our member base with services and products of interest and utility to our members. In return, you receive access to our valued members and invaluable opportunities to market and promote your services.

Membership with OCSA is renewable annually on **April 1st**. You have two membership options: the **Standard** membership for \$295/year, or the **Premium** membership option for \$995/year. Please see the descriptions of benefits below, and fill out the appropriate choice of membership on your application form.
